## Did you know that .....

- OverDrive keeps your highlights and notes in e-books even after you've returned them? You can check the book out again and see the notes you made in previous check-outs.
- HeinOnline lets you "Shepardize" law review articles using ScholarCheck so you can see other articles and cases that cited to it?
- We have over 160 dictionaries in print, including all editions of *Black's*?
- We have the complete historical run of Texas statutes in print? Many are even available online!
- We have connections with other libraries and law libraries (including in other states) and can help you track down what you need if we don't have it?
- We have all of TexasBarCLE's course books digitized and available online, dating back to 2017? We also have many years of printed course books prior to 2017 and are happy to send scans or articles upon request.
